- **Decrease or loss of smell or taste**
- **Runny or stuffy/congested nose**
- **Headache • nausea/vomiting, diarrhea**
- **Muscle aches**
- **Extreme tiredness**
- **Pink eye (for adults)**
- **Stomach pain (for adults)**
- **Falling down often (for older adults)**

Has a doctor, health care provider, or public health unit told you that you should currently be isolating (staying at home)?

In the last 14 days, have you been identified as a “close contact” of someone who currently has COVID-19?

In the last 14 days, have you received a COVID Alert exposure notification on your cell phone?

Have you travelled outside of Canada in the past 14 days? (This does not include essential workers who cross the Canada-US border regularly.)

If you answered YES to ANY of these questions: DO NOT ENTER! SELF-ISOLATE IMMEDIATELY AND CALL the assessment centre nearest you or Telehealth Ontario at 1-866-797-0000. For a list of assessment centres and contact information visit [TBDHU.COM/testinginfo](https://www.tbdhu.com/testinginfo) or call 625-5900.

If you answered NO to ALL Questions: You can ENTER George Jeffrey Children's Centre
