FROM YOU!**

FAMILY ENGAGEMENT

We are seeking input from the diverse communities that we serve in order to identify flexible and creative approaches to family involvement and identify barriers to full participation.

George Jeffrey Children's Centre would love for you to be involved; we are hosting virtual focus groups to give families the opportunity to share their thoughts and opinions,

**Please join us virtually:
November 23rd at 5pm-6pm
or
November 27th 12pm-1pm**
