ENRICHING CHILDREN'S LIVES

What to expect:

- ✓ You can play and learn with your child
- ✓ Meet new people
- ✓ Get advice from the service navigation team at GJCC about your child's development!

SmartStart Hub:

The SmartStart Hub focuses on the strengths of your child and family in a friendly, supportive and culturally safe environment. Our dedicated staff will have an exploratory conversation with you where they will complete the About My Child Tool. This gives you the opportunity to share your child's strengths, needs and goals, while feeling welcomed and heard. The conversation can happen in person, or by phone at another time.
