

Speech-Language Pathologist Augmentative & Alternative Communication

Regular full-time position available
Salary: \$39.18 - \$47.28 / hour

George Jeffrey Children's Centre (GJCC) is a paediatric health facility in Thunder Bay, Ontario providing occupational therapy, physiotherapy, speech-language pathology, social work, recreation, and behaviour support services to children and youth with physical, communication and developmental needs. We are currently seeking a talented speech-language pathologist with a specialized focus on Augmentative and Alternative Communication, who are committed to providing high quality and compassionate services that honour the unique experiences of each and every child and family.

Our speech-language pathologists work with children from infancy to 19 years of age, or 21 if in a publicly funded school. This program may also provide support to clients older than 21 years of age. As part of a collaborative multi-disciplinary team, responsibilities include assessment, development and monitoring of treatment programs, consultation with parents/caregivers and other service providers, and assistance with resource needs.

Why George Jeffrey Children's Centre?

- Supportive work environment
- Collaborative, multi-disciplinary teams
- Mentorship is provided to support professional growth
- Paid education days and professional development opportunities
- Wellness and inclusion initiatives
- Extended health benefits, employee assistance program, HOOPP pension
- Relocation reimbursement

To be considered for these positions, candidates should meet the following criteria:

- Registration with the College of Audiologists and Speech-Language Pathologists of Ontario (CASLPO)
- Holds Individual Authorizer status, or willing to obtain
- Completed Foundations in AAC, or willing to obtain
- Proven ability to work effectively as part of an inter-disciplinary team
- Demonstrated knowledge and experience in Augmentative and Alternative Communication
- Ability to collaborate with service partners, families, caregivers and other stakeholders
- Excellent verbal and written communication skills
- Creativity and flexibility to provide service in a variety of settings
- Valid Ontario Driver's Licence and access to a personal vehicle

Knowledge of and experience working with Indigenous peoples and communities is considered an asset. Bilingualism English/French is considered an asset.

Take advantage of this unique opportunity to enrich children's lives, while enhancing your professional and personal growth in our team-based environment. Passion for providing the best possible standard of care, understanding of paediatric rehabilitation services, and exceptional people skills are key to succeeding in this role. We encourage applications from qualified candidates, who share our vision of empowered and inspired children, youth and families.

Interested applicants are invited to submit a resume with covering letter to:
